Panditarama Kathmandu Earthquake Relief Fund

Last April a strong earthquake struck Nepal, left more than 8,000 people dead and caused many more without a home. We are happy to report that the abbot and the sangha of Panditarama Monastery in Kathmandu, Nepal are doing well although there were damages to its buildings and injuries to the sangha family members living nearby.

Tathagata Meditation Center starts a relief fund for Panditarama Kathmandu and would like to ask for your help to fund the repair the damages and to assist the local sangha with their needs.

May all beings be well, happy and peaceful.

With Metta,
